Dear Pre-K Parent/Guardian,

The NJ Department of Health mandates that every child enrolled in preschool receive an influenza vaccination. The influenza vaccine must be given between September 1 and December 31 of the current school year. Failure to receive this vaccine before the December 31, 2020 deadline may result in your child being **excluded** from attending preschool as of January 4, 2021.

Please have your physician complete the bottom section of this form and return it to the school as soon as possible.
